

## REGISTERING WITH THE PRACTICE

Peninsula Medical Practice welcomes any new patients who wish to register with us for medical care. If you wish to register as a patient, please call in at either of our surgeries whenever we are open. Our reception staff will be pleased to help you complete the simple form required. You will also be offered an initial health check consultation with the practice after you register to make sure that we can fulfil all your health care needs.

Patients from throughout the Cartmel Peninsula area may register with the practice (Grange-over-Sands, Allithwaite, Flookburgh, Cartmel, Newby Bridge, High & Low Newton, Cartmel Fell, Witherslack and Meathop).

Temporary residents can also receive care from us under the NHS; any visitor to the area needing a consultation with a GP or nurse should simply call the surgery to make an appointment with one of our clinical team.

## PATIENT PARTICIPATION GROUP

The Patient Participation Group meets with the practice regularly to discuss both successes and concerns. If you would like to get in touch with them please ask for contact details at the reception desk, or email: [peninsulappg@gmail.com](mailto:peninsulappg@gmail.com)
